

# Project C.O.L.E. Kit

## Maine History & Transportation

### Postage Stamp Kit - Grades 3 to 6

Vickery School

July, 2006

Remember when teachers had time to be Creative and Imaginative? Remember when units were filled with excitement and fun? The Project C.O.L.E. Postage Stamp Kit has all of this and more. Students will learn multiple aspects of history through the amazing world of postage stamps. Students learn the art of "hinging" stamps, designing stamps, and they then experience the fun of matching stamps to artifacts in the Cole Land Transportation Museum. This kit puts teaching and learning in a whole new light!

All Project C.O.L.E. Kits are designed to work in conjunction with the Maine Learning Results and your classroom(s) visit to the Cole Land Transportation Museum. They are offered free of charge to participating schools. If you would like to receive a sample of this kit, contact us at: Cole Land Transportation Museum, 405 Perry Road, Bangor, ME 04401, Phone: 207-990-3600 (ext.13).
